## >>> FIRST WINGS PROGRAM FOR STARTUPS BY IDFC FIRST BANK

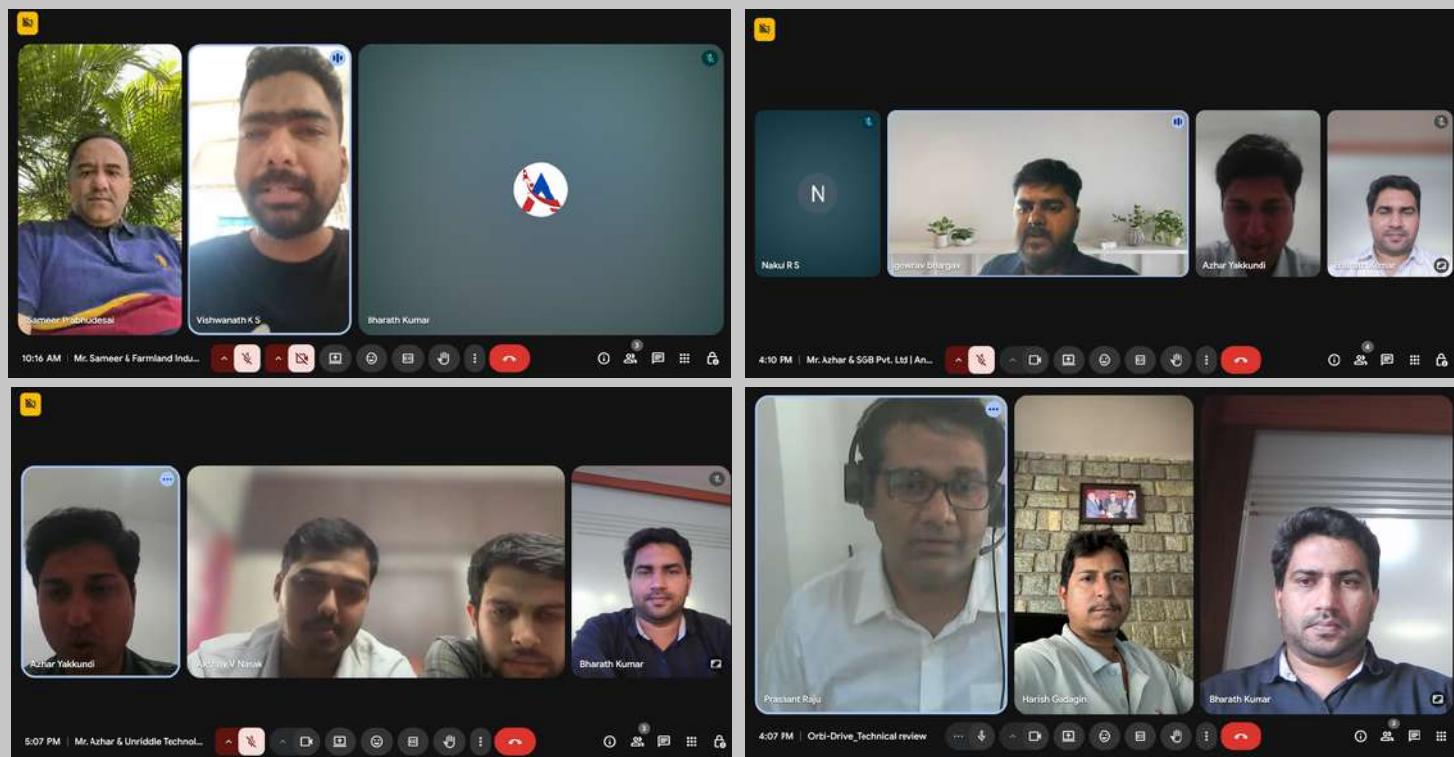

An exclusive session with the Startup Banking Team from IDFC FIRST Bank, introducing founders to the FIRST Wings Program for Startups. The session focused on growth oriented financial support and access to a wider startup ecosystem. Founders gained valuable insights into simplifying banking operations, leveraging founder-friendly, tailored financial products, and building a strong, compliant financial foundation essential to sustainable growth and scale.

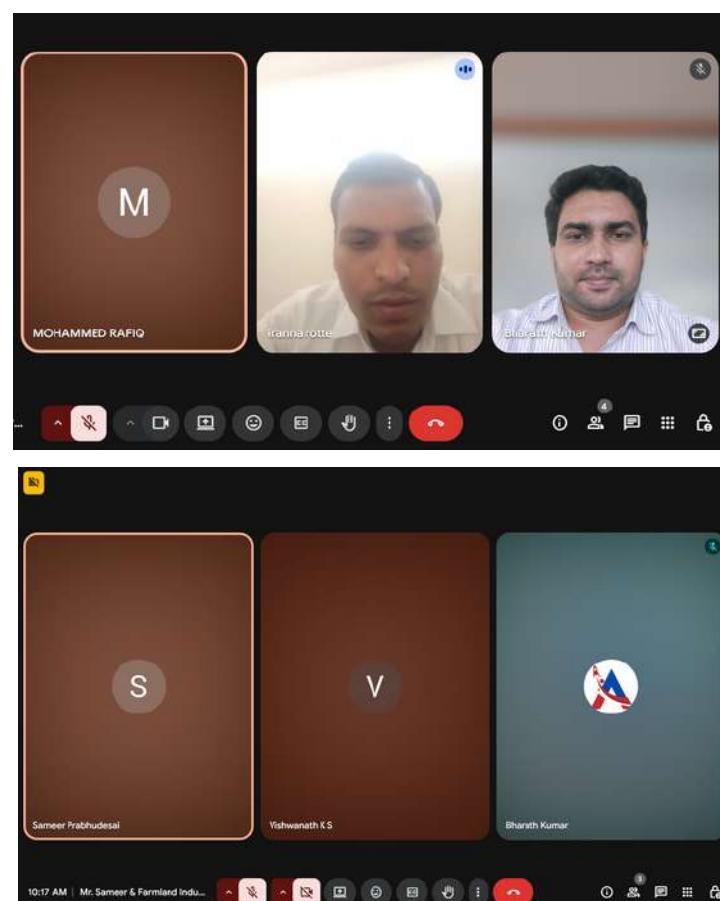

**The session focused on enabling early-stage ventures with end-to-end startup banking solutions**

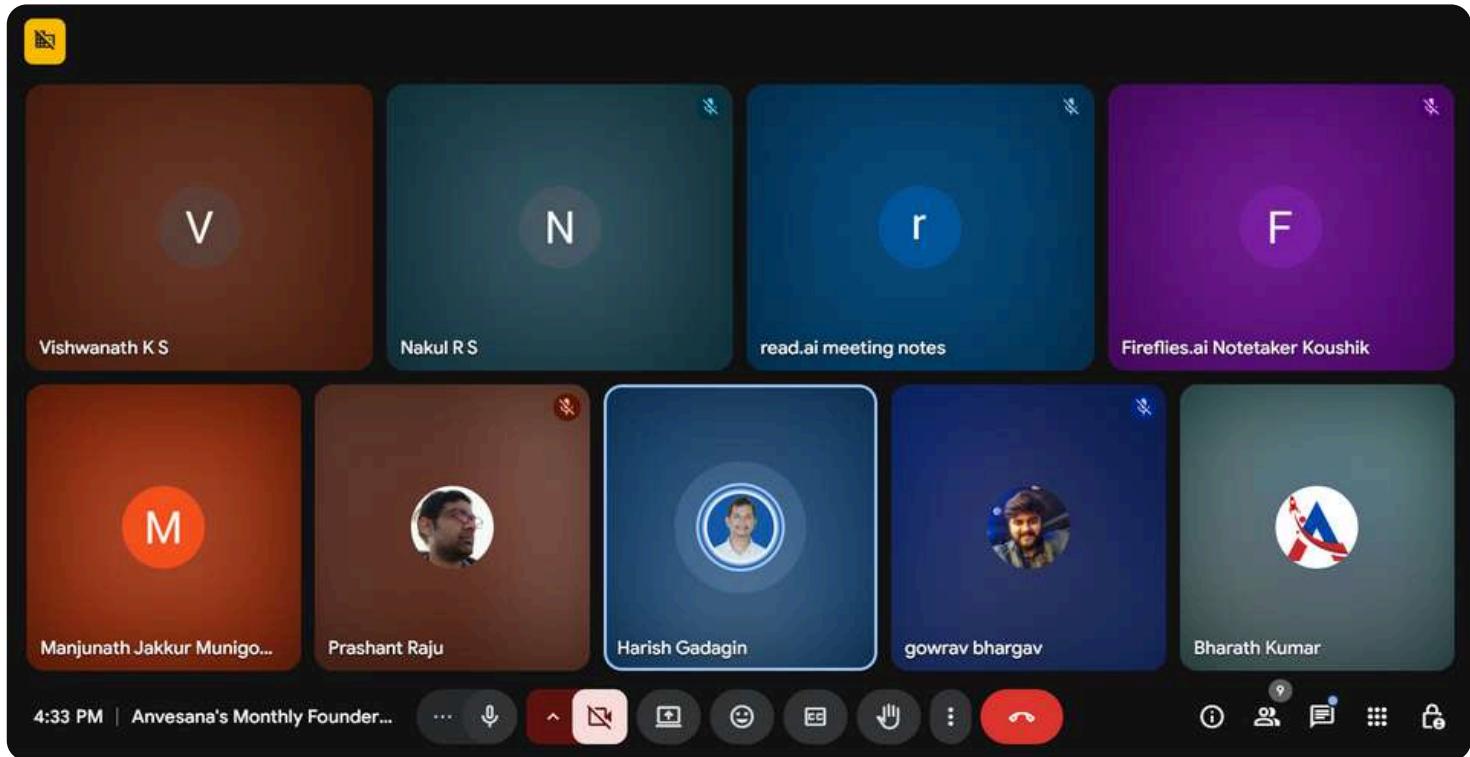

## ">>>> DECEMBER MONTH MENTORSHIP HIGHLIGHTS AT ANVESANA

In December, Anvesana TBI continued its focused engagement with incubated startups through targeted mentoring and technical review sessions. Farmland received strategic guidance from Sameer Prabhudesai, supporting its growth and market direction. E-Actuell underwent a detailed technical product review to strengthen its solution's readiness and performance. Iranna mentored Agrils Ag Tech Pvt. Ltd with domain specific insights, while Azhar conducted mentoring sessions with SGB Pvt. Ltd and Unriddle Technologies, focusing on product positioning and scaling pathways.

## >>> MONTHLY FOUNDERS CONNECT

Founders Connect at Anvesana is a space for startup founders to share experiences, learn from peers, and gain clarity through open dialogue. These sessions allow Anvesana team to provide personalized guidance and strategic connections, much like the focused mentorship offered throughout the month. Founders walk away with fresh clarity, actionable insights, and a renewed sense of momentum, underscoring the power of collective growth.

**The session offered practical insights into how fast-evolving technologies are reshaping industries and redefining customer expectations.**

## >>> ANVESANA TEAM SERVES AS JURY AT STUDENT IDEATHON EVENT

The Anvesana team served as jury members for a student Ideathon event at GMIT, Davanagere, where they evaluated presentations from 15 student teams showcasing diverse innovative ideas. The session provided a valuable platform for students to articulate their problem statements, solutions, and potential impact, while receiving constructive feedback from the jury. Anvesana's participation reinforced its commitment to nurturing student innovation, critical thinking, and early-stage entrepreneurial thinking through active engagement with academic and innovation-driven initiatives.

## >>> ANVESANA TBI SHOWCASES INNOVATION AT SUPERCOMPUTING INDIA (SCI 2025)

The Anvesana team represented the TBI at Supercomputing India (SCI 2025) with an exclusive Anvesana stall, showcasing the incubation ecosystem along with a supported startup. The participation provided valuable exposure and enabled meaningful interactions with industry and research stakeholders.

We sincerely thank the Government of Karnataka for providing the opportunity to showcase Anvesana on this national platform and for its continued support to the innovation ecosystem.

**>>> SAFECLOAK ADDS 4 NEW CITIES TO ITS GROWING NETWORK**

SafeCloak continued its nationwide expansion in December 2025 by launching services in four new cities—Mumbai, Mangaluru, Palakkad, and Shoranur. These additions strengthen its footprint across Karnataka, Maharashtra, and Kerala, extending convenient luggage storage solutions to more travellers. With 2025 marking a year of strong growth and expansion, SafeCloak enters 2026 focused on advancing travel-tech innovation to make short-term luggage storage safe, simple, and accessible across India.
